Booring...
Things like making cookies should only be done by girls...
I'd rather be part of a theatre group than participating in this fun gathering...
It can't be helped, you know? We lost with rock-paper-scissors.
Besides, sweets are popular with future men...

Anyway, those girls sure are late.
That's it! Let's hide and give them a scare!
Sounds good!
Right, let's hide!

When next week's fun gathering is over, it will be closing ceremony time, right?
Hey, Why don't we go together somewhere for the summer vacation?
Yeah, let's go! Just us girls!
How about the amusement park?
Let's see the haunted house or ride the Jet Coaster!!
Let's skip those...
By the way, none of the boys showed up.

They probably want to skip out
hm
Well, we can at least start with the preparations

Shouta-kun, you don't look well...

It's no big deal.

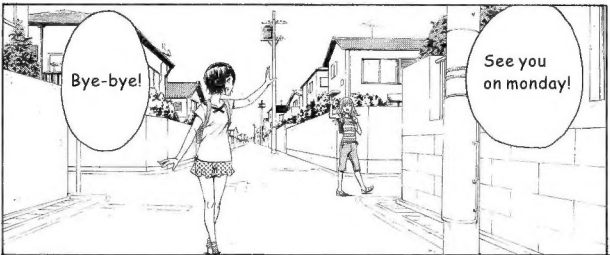
There are still the decorations for the fun gathering; until after school I can...

I knew it! You are burning up...

Sensei! It's Shouta-kun!



Bye-bye!
See you on monday!

Shouta-kun went home alone, but I wonder if he is all right...
He should be fast asleep by now...

You surprised me pretty good.
Hall-way...?
I see... So I barely managed to get home in this state...

I just contacted your older sister.
She said she would be back at 8 o'clock.
I'm sorry I went and used your phone for that...
That's all right; thanks.
Shall I feed you the rice porridge?
Yeah, I think I'm a little hungry.
